Oct 14th

President's Message

Dear East Canyon Members,

It is that time of year when we start making plans for summer vacations and weekend excursions. I hope that East Canyon Resort will be a part of your plans. We, as the Board and Staff, love to see each and every one of you.

Thank you to everyone that helped with all of the improvements that were accomplished last summer. The Resort is looking very clean and neat! We would love to get more people involved with the improvements at the resort. We have already seen that just by utilizing the many talents of our members we are able to make light work of some big improvements. Please let us know if you have any special abilities or talents that could enhance or better our facilities.

This last year, we have had our rules committee and the board working hard, on trying to make our Rulebook more accessible and easy to understand. The Rulebook will now be available on our new web page www.eastcanyon.com. Watch for it by June 1st of this year. We will keep this updated all the time. Please take some time to look over the Rules, as we have made some changes and are individually responsible to make sure we are aware of and understand the Resort rules.

As President of the resort, I want to assure all members, visitors, employees and guests that we are committed to making East Canyon Resort the best that it can be. Please know we welcome and appreciate your ideas and input. Please feel free to contact the Resort Manager or any of the Board Members with your suggestions and/or concerns.

We hope you have a great summer at East Canyon. Please have fun and be Safe!

Thank you,

Jeff Gale

Condo & RV Area Updates

This year ECR will be installing new siding on condo buildings 10, 11, 15, & 16. We have already started the project and hope to have the 4 buildings completed by Memorial Day. The resort has also planned on fixing up the east side of the south RV park to better improve stalls and the sprinkling system. Please be patient with us as we strive to limit the impact on guests.

New Wi-Fi & Phone Systems

There are new phones in the condo units that allow you to make calls out of the resort, or for people to call you directly. Please see the guest book in your condo with phone instructions.

The resort now has Wi-Fi in the condo units, the Lodge, and the Event Center. We have started installing Wi-Fi in the RV park and plan to have that completed by Memorial Day.

Committee Volunteers Needed

We need volunteers to join our committees! This is a great way to get to know the other members. If you are willing to help your fellow owners, reach out to any Board Member or resort staff and we will get you pointed in the right direction. You typically meet once a month, but we always hope to see you on the Special Event Days for members and on Member Volunteer Work Days as well. Please reach out to us with any questions.

Thank you to all the volunteers that we do have! We appreciate your time and hard work!

New Pool Fences

Stop by and gaze at the new pool fences. You will notice that in the North Pool we have combined the pool and the splash pad to make it easier for everyone to use. Please use caution while using the pools as we will work on improving a few of the cement walk ways when the weather warms up a little. Thank you to everyone for having fun at the resort and enjoying our swimming pools. Please let the maintenance team know how much they are appreciated for taking care of our pools!

Special Events & Hunting

Happy Spring ECR members! I am so looking forward to another great year with all of you! We will be introducing some new activities as well enjoying some of our all-time favorites. I hope that all of you will get involved and experience the fun we have planned for you! We want all of our members to enjoy themselves, so if you have an idea for an activity that we don't have planned already, we would love to hear about it.

We had a great hunting season last year, and we hope to have even better one this year. I want to thank all of you who volunteered and helped out on work days or other events. You were such a big help and we hope to see you again this year!

Housekeeping

Hello from housekeeping! I am Holly the new Housekeeping Manager, and I am excited for the opportunity to make some changes to improve the quality of your stay. We have been purchasing new linens, switching out old pan sets, replacing old knives, replacing old dishwashers, replacing the old rugs, switching out old lamps, and much more! We appreciate your patience as we make these improvements. There are many more ideas we are working on, and hope you enjoy the improvements!

Please feel free to contact me with any comments or suggestions. We look forward to seeing you all up here at East Canyon Resort. Thank you from all of us at Housekeeping!

Holly

Membership Services

I would like to remind everyone that we still have memberships available so get your family and friends to sign up and get your referral credit. Also, don't forget about Relative Rights and get the most out of your use and privileges. Last but not least, we have been working on updating our Rules & Regulations which should be done by April so make sure to stop and get your new copy when you are up here. Thank you!

Jen

Front Desk

What a busy year it has been! I would like to take a moment and introduce myself as the Store Manager. If you've made a reservation any time since August 2015, you've probably spoken to me. I love East Canyon Resort and each of our Members, and take a lot of pride in making sure you are completely satisfied with your visit and/or reservation experience. I want to make each of your visits special. If there is anything I can do to make your time in the store better, please let me know. I look forward to seeing each of you this year!

Jaye

Assistant General Manager

First and foremost, I would like to thank all of the Members for being a part of East Canyon Resort. We would not be who we are today without you. We are anxiously waiting for summer to start, so that we can see all of our members again. We have a fun summer planned for you and your families to enjoy.

Please feel free to stop by my office, if I can assist you in anyway. It has been my pleasure to serve you for the past 7 years, and I always look forward to seeing you. I hope everyone enjoys their stay with us, and continues to make memories with your families that will last a lifetime.

Kris Shepherd

New Playground Equipment

ECR has torn out some of the old playground equipment, and is replacing it with a few new items. There will be 2 new sets of equipment, as well as a few smaller items for the younger kids to play on. Please stop on by when you are up here and enjoy a ride down the slide or swinging in the new swings. As always, be safe and have fun out there!

Maintenance

We are gearing up for another great summer here at East Canyon Resort. We want to make sure, that all of your needs are being met. As always, we are happy to serve you in any way that we can. My staff and I will be working hard this summer, to ensure that you have freshly cut green grass at your RV sites, and a well maintained condo. We also, will be happy to transport your RV to and from Long and Short Term. We greatly appreciate all of the hard work that we receive from work days to keep our Resort looking great.

Axcil Blonquist

General Manager

It has been just over a year now since I started at East Canyon Resort, and I have been very excited at what our team accomplished this past season. We hope you continue to see improvements not only in the Resort, but also in the hospitality provided by our team. There were a few growing pains along the way, but we will continue to do our best to ensure you have a great time here.

The Resort has a strong Board of Directors and a great team of employees working very hard at accomplishing our goals, improving the resort, and planning for the future. As the Resort continuously evolves and strives to do better, we want to know how we are doing. Please take the time to let a board member how we are doing, complete a comment card, or stop in and tell us your stay was. If your stay was amazing, or something went wrong, we want to know! Comment cards are one of the best metrics we use in evaluating the overall performance of our team.

East Canyon Resort provides such a unique experience for everyone that comes here. I have enjoyed getting to know the Resort a little better and exploring such an amazing place. Thank you for welcoming me this past year and sharing some of your unique experiences with me. We have such great members here and our team enjoys seeing all of you up here! I look forward to another great year with all of you at East Canyon Resort.
